Heart Valley Bad Heart and Wannam to Benefit By The Construction New Crossing

Cutting Down Of Mileage Made Possible By Splendid Spirit Of Cooperation Of Settlers—Forty Men And As Many Horses At Work Excursion To Cars To Grande Prairie Planned To Celebrate Opening Of New Road.

HEART VALLEY, June 18.—Here's the news! A new road out of Heart Valley and a new road out of Bad Heart! A front door for Heart Valley and a back door for Bad Heart! A new road from Wannam south through Peoria, Westvale, Heart Valley, Bad Heart, Smiley Heights, Teepee Creek to Sexsmith, Clairmont, Grande Prairie and the Monkman Pass. A road which shortens the distance by road from Heart Valley to the above last named points by 20 to 30 miles, or 40 to 50 miles the round trip. A road which makes it possible for to make more frequent trips to those points. A road which puts the farmers of Bad Heart 8 to 12 miles from the elevators and a road which should have been connected up 18 years ago.

This is what the new crossing of the Bad Heart River, connecting Heart Valley and Bad Heart, now under construction rapidly nearing completion, means.

Here is the finest example of co-operation and community spirit seen for a long time—A Monkman Pass road in miniature. All the work is voluntary, yet on one day since the work began on Monday, June 13, 40 men and almost as many horses were at work. The volunteers up to date have been from Wannam, Heart Valley and Bad Heart. A road camp is

situated in a pleasant location down in the river bottom. There the crew enjoy meals cooked by Mrs. McGuinness of Bad Heart, who also has a neat little cabin there for her convenience. There is also a comfortable shelter where the men sleep. It is hoped that with the exception of a bridge this work will be completed before the end of the summer. An excursion by cars by way of this new route will probably be arranged to Grande Prairie at an early date.

Party of East Enders Off To Do Bit In Monk. Pass

Piloted By Dan Minchin, Party Assailed By Grande Prairie On Tuesday Morning Armed With All The Necessary Equipment And Were En Route In Ernie Ford's Truck, Driven By The Owner.

Piloted by Dan Minchin, the following hunkies from the East End assembled at Grande Prairie on Tuesday morning in a truck while were off for the Monkman Pass to do their bit in cutting the trail. Nip Hunter, John Buckner, Steve Garrett, Ross Wales, Ott Patterson, Rex Patterson, George Brown, O. Jansen and Dan Minchin.

The trip was made in Ernie Ford's truck, which was driven by the owner, one of the most careful and best drivers in the north country. The boys who have had much experience in timber, were armed with all the necessary equipment, which included everything from axes to grindstone. They will work in a group and have their own cook.

In conversation with The Tribune reporter they stated that they did not know how long they will be out in the Pass. Dan Minchin put it this way: "You know that the East End is a solidly behind the Monkman Pass highway project and we are going out to back the road in a practical way, by hewing down the timber and help to demonstrate to the governments that this pass is feasible."

Anxious to reach Dawson Creek that night, Miss Davis was in the motor car balance the day of the way by P. J. Tooley, the company's agent at Grande Prairie. The motor car was taken along and delivered. On the return trip the Ford St. John was carried to Grande Prairie.

This is Miss Davis' first trip to the Peace River country and it was her first ride in a plane. On arriving at Dawson Creek, the motor car was taken up to the hotel and the trip has been full of thrills and great interest. Just think, on Saturday evening I had dinner at home and now I am at Dawson Creek! As I always wanted to see the Peace River country, a dream of mine is being realized."

Joe Louis Knocks Out Schmeling In Minute And Half Of Fighting

Before a crowd that packed the Yankee Stadium to the limit and brought the management over a million dollars, on Wednesday night Joe Louis, the Brown Bomber, won on a technical knockout in exactly 1 1/2 minutes of fighting against the challenger, Max Schmeling of Germany.

Carrying the fight to his opponent right from the going, Louis administered the worst beating ever given a man in a heavyweight championship fight in so short a time. Louis never let Schmeling get started and put everything he had into the fight, to the head, finishing with a smashing right-hand blow to the ribs. Schmeling only landed one real punch.

Louis, profiting by his previous experience, when he was knocked out by Schmeling, took no chances and put everything he had into the fight, to the head, finishing with a smashing right-hand blow to the ribs. Schmeling only landed one real punch.

Six Hundred Dollars To Be Given In Prizes—Large Program Made Two Days Necessary—Action Every Minute Promised—Team Band In Attendance—Best Horses In The Country To Meet Here—Sports Men By Grande Prairie Athletic Association—Event Reported To Be A Crowd And Will Be Spectacularly Lighted.

Six hundred dollars in cash prizes are being offered for the Grande Prairie Annual Sports, to be held on Friday and Saturday, July 1 and 2, put on by the Grande Prairie Athletic Association.

Last year the Association found it difficult to crowd in the large offering on one day, so it was decided to add to the program and hold two days, during which there will be action every minute.

Horse races, for which good money is being offered for all events, and baseball will be the major attractions on the first day.

There are nine races on the card in the track meet, for which \$100 will be paid. The highlight in the attractive card will be the free-for-all mile dash, best two out of three, for which \$60 is being offered. This race will bring together all the speedsters in the country. Two of the most prominent horses on the local turf, "Redner," owned by Harry Conrad, and "Lady Nanton," owned by "Dad" Coleman, will meet. These two horses now stand 38-50 in point of wins. This race should be a thriller.

The senior baseball is limited to nine teams and the junior to four teams.

Softball and basketball for men and women also have a prominent place on the bill.

On the second day, track meet, bicycle races and softball will occupy the centre of the stage. There will be other attractions to round out the day's offering. The town band will be in attendance with 20 pieces.

On Friday night there will be a dance in the old Capitol Theatre, at which both modern and old-time dances will be featured.

A picture show will be at the new Capitol Theatre. Eddie Cantor in "Ali Baba Goes to Town" is the feature.

Last year the Athletic Association staged one of the most successful annual sports in the history of Grande Prairie and this year they propose to outdo that effort. The business men at the grounds and admission is an event and a record attendance is expected.

The downtown section will be specially lighted for the occasion. There will be no charge for cars at the grounds and admission is an event and a record attendance is expected.

Clever Pageant At Forbes Church On Tuesday

On Tuesday afternoon Mrs. C. E. Fisher presented a clever pageant, "We Carry the Glean," her own composition, in Forbes Presbyterian Church.

Various deaconesses represented the missionaries, each group having two heathen girls with them. Symbolically the torch was handed down through the ages—from the women of yesterday to the Home and Foreign Missionary Society of today, and to the young women of tomorrow (the Mission Band). When all their candles were lit and the hymns made appropriate speeches, they and the congregation sang "Light of the World."

Miss Grigor, deaconess at Presteville, delivered a very fine sermon, choosing as her text, "I Did for Thee, What Has Thou Done For Me?"

The president of the Flying Ship Women's Missionary Society, Mrs. Jim Waddington, gave an excellent paper on "The Way to Prayer." Later on she was the official "tea-pot."

Mrs. Cann brought greetings from St. Paul's United Church and Mrs. W. S. Pease from McLaurin Baptist Church.

A very delicious lunch, including strawberries and cream, angle food, macaroons, etc., was served as a perfect ending to a perfect afternoon.

Big Attendance At W.M.S. Summer Rally at Albright

For some years past it has been the custom of the Grande Prairie Women's Missionary Society to hold a summer rally, thus enabling many interested women to attend the annual February Presbyterian gathering in Grande Prairie to meet for the exchange of ideas and to see the progress of the work in various localities. Each year has seen a marked growth in the attendance. This year's gathering at Albright on Wednesday, June 15, was a notable one. There were over a hundred present from all parts of the Presbytery, including two carloads of women representing the United, Norwegian and associate societies of Rolla, B.

Mrs. J. Archer, Presbyterial president, graciously presided over the rally. Part of the afternoon was devoted to hearing brief reports from various secretaries. Mrs. A. W. Cann gave an outline of the contents of the Missionary Monthly by reading an interesting extract.

Mrs. Callister presented the Christian stewardship report and gave the account for the current year. Mrs. McNab outlined the work of Baby Banns.

Mrs. W. J. Thomson, C.G.I.T. secretary, referred to the formation of the first camp 15 years ago. Now there is a permanent camp at Lake Saskatoon, with a large pavilion. A Girls' Work Board has been formed at Grande Prairie, and whose enterprise and the generous response of many organizations throughout the district, it is expected there will be seven camps built on the shores of the Wapiti this summer. Miss Carscadden, provincial Girls' Work secretary, will be both co-chairman and the leaders camp and girls' camp.

Mrs. Eastman, Associate Helpers' secretary, made a plea for every woman to appoint a local Associate Helpers' secretary.

Mrs. Sedore presented her report of Temperance and Christian Citizenship, stressing the need for unceasing vigilance in the face of temptation.

The report of Conference Branch, always a welcome feature of the Summer Rally, was brought by Mrs. W. J. Thomson. This was particularly interesting as Mrs. Thomson pictured the personalities of the various branch officers before giving us the highlights of the program itself.

In a brief presidential address, Mrs. Archer stressed the importance of each auxiliary and every member being a "spiritual dynamo." Mrs. Archer hopes to inaugurate this to a summer rally an annual fall rally, and invited the members to her home near Bear Lake in September.

The recent visit of the W. M. S. travelling secretary, Miss E. Mitchell, was discussed, and expressions of gratitude and love were given to the general. The presence of the Rolla delegation was a tangible evidence of part of Mitchell's organization work. It was agreed to record a vote of appreciation of Miss Mitchell's visit to be sent to the Dominion Board, with the recommendation that the travelling secretary be allowed a much longer stay in the district on her next visit.

Two lovely vocal numbers added to the victory song—A duet, "The Lord is My Shepherd," by Mrs. H. H. and Mrs. J. H. H. and a solo, "Just For Today," by Mrs. A. Willis Cann of Grande Prairie. Mrs. C. H. Henderson of Sexsmith was accompanist for the afternoon.

Mrs. Porteous, past president, brought a few new ladies to the gathering.

A very pleasing feature brought the program to a close, a round chorus by the Albright Mission Band.

At the conclusion, the Albright ladies served a delicious supper, bringing to a close a most successful gathering.

MIDGETS GAVE TIGERS THEIR WORST LICKING

The Midgets gave the Tigers their worst defeat of the season at Grande Prairie on Saturday afternoon, June 18. Too many sports at the previous day may have had something to do with the Tigers' downfall.

Scully, on the mound for the Midgets, pitched a great game, striking out nine batters and allowing only three hits and one walk.

Tinningford, the Tigers, in two innings struck out two batters but allowed four hits and two walks which brought in six runs. Carveth finished the game striking out two batters, allowing only one hit and no walks, but errors allowed four more runs to count.

Owing to school examinations and sports there will be no more games between these teams for the next two weeks.
